Your tuition refund will be processed within five (5) business days of the request. In order to make this guarantee valid, you must attend the first weekend of class in the session for which you were originally registered. Refunds will NOT be given after the first weekend of class in the session for which you were originally registered. NO refunds will be given on the Cam Tech Home Study Course Book when purchased separately.

Tuition Agreement: Payment is required to register for classes. Tuition must be paid IN FULL prior to the first scheduled class of the session for which you originally registered; otherwise this agreement will be void. If your account is NOT in good standing, you will be excluded from class. No additional course material will be issued to any student with a tuition balance. There will be a $20.00 service charge for any returned checks. Interest of 1.5% per month, plus collection costs and reasonable legal fees, will be charged on any outstanding balance. Registered students may take unlimited classes in their category for one (1) full year from the date of initial registration. Class schedules are subject to change.
